4. Did you participate in last summer's musical? If so what part/s did you play?

- There will be a piano player to accompany your audition.
- The first day of camp we will be going over your music and script. Auditions will be on July 2nd.
- While you are only auditioning for two parts, you are being considered for **all roles**.
- Music and script do not need to be memorized but it is highly recommended.
- **With your parents permission**, I suggest you look at the videos on youtube website. Search by song name (Ex: Spoonful of Sugar, Let's Go Fly a Kite, Etc.)
- I highly suggest purchasing the Broadway musical Cd. (Amazon or iTunes) If nothing else, it is great to start your music library!
- You can listen to and practice with the music on the GA website
- It is never too early to start practicing in front of the mirror or in front of the family!
- Any questions please email the director Christy Davies at christy.davies@germantownacademy.org
