

GERMANTOWN ACADEMY DAY CAMP

Explorers Camp Movie Permission Slip

Explorers Camp travels to the movie theaters several times in the summer. Each time we go to a movie, we will give our campers the choice between two movies based on what the theater is showing that day. If a camper wishes to see a film that is rated PG-13, parent consent is required.

If you agree to allow your camper to watch a PG-13 rated film, please fill out this permission slip and return it to the Summer Programs Office the week before your child attends camp.

I give my child, _____ permission to see a PG-13 rated film.
